OPEN FLOOR

Is This Really Islamic Banking?

Shariq Noor conducts an enlightening session with a group of panelists on the ever-burning yet unadequately-addressed issue of the credibility of the practice of Islamic Banking.

Fixing Religion?

Omar Javed delineates the strategies of the U.S. based think-tank, RAND Corp., designed to "doctor" Islam in line with their own socio-economic and political beliefs.

Hudood's Ordeal 1979-2006

Do these women really know what they are asking for? **Abdur Rehman** discusses the subject in great detail...
